The image shows the balenaEtcher application window. At the top, the title bar reads 'Etcher'. The main interface has a dark blue background with the balenaEtcher logo at the top center. Below the logo, there are three main components: a plus sign icon in a white hexagon, a central area showing a USB drive icon and the text 'General U...SB Device' with a 'Change' link and '1.01 GB' below it, and a lightning bolt icon in a white hexagon. At the bottom, there are three buttons: 'Select image' (a bright blue button), 'Flash!' (a dark blue button), and a smaller 'Change' link. A footer at the bottom left says 'img, iso, zip, and many more'.
